

CRAYON COLLECTION

COLLECT -> CONTRIBUTE -> CREATE

AUGUST IS NATIONAL CRAYON COLLECTION MONTH

YOU CAN HELP!!

By simply asking your local kid-friendly restaurants to help out you can make a huge difference in the lives of children and make a big impact on the environment.

Step 1: Next time you dine at your favorite kid-friendly restaurant ask the manager if s/he will collect the like-new crayons diners leave behind during the month of August.

Step 2: Return 3-4 weeks later to pick up the crayons the restaurant has collected for you.

Step 3: Take the crayons back to your school and use them throughout the school year. We even have a Crayon Curriculum for fun and interesting projects!

Don't forget to share! Please inspire others to do the same and use the hashtag #GotCrayons!

Crayon Collection is dedicated to reducing the amount of crayons thrown away each year in restaurants. Those crayons can be donated to Title 1 schools or Head Start programs. The crayons stay out of landfills where they will never decompose and get into the hands of children who need them. Everybody wins!
