

Join Crayon Collection on March 31st, NATIONAL CRAYON DAY, in the Biggest Bake Sale ever as families across the United States show their support by baking and and selling yummy goodies to raise funds and awareness for Crayon Collection.

Steps to start a Crayon Collection Bake Sale / Crayon Drive :

1. To collect crayons - Grab any bin and paste a Crayon Collection sign on it. Download here → <http://www.crayoncollection.org/pdf/CrayonCollectionSign-2013.pdf>
2. Tell your friends to bring in their unwanted crayons on March 31st and ask local restaurants to participate too by saving the crayons diners leave behind!
3. Bake some goodies on Wednesday March 30th! Make a Crayon Collection poster to use at the bake sale.
4. Sell your baked goods and collect crayons! Help us by donating some or all your proceeds to Crayon Collection or start your own fundraising page here: <https://www.classy.org/events/event-builder-customizer?eid=73029>
5. Donate collected crayons to your local community using our school finder! <http://www.crayoncollection.org/collection.html>

We want to set a RECORD! Please be sure to tell everyone to join in this super fun and creative way that you and your kids can support this great cause and help underprivileged kids have access to crayons to be more creative at school!

THANK YOU!!!!
