START YOUR OWN **CRAYON** COLLECTION!

Here's how:

Step 1:

Find a good spot for a box or basket for the crayons to be collected in. You can click here to download a sign for your crayon collection box.

Step 2:

Spread the word! Inform everyone that there is a Crayon Collection in place and that they should bring in their left over crayons.

Step 3:

Ask local restaurants if they would be willing to add to your collection.

Step 4:

Find those crayons a new home! There are many underserved schools in the United States! Use our school finder below to find a school near you or email us at info@crayoncollection.org for support!

Step 5:

Spread the news! Post a picture of your crayon collection with the hashtag **#MillionCrayonCollection**
