SPECIAL GUESTS

OLIVER JEFFERS • oliverjeffers.com

Oliver Jeffers is a visual artist and author working in painting, bookmaking, illustration, collage, performance and sculpture. Curiosity and humor are underlying themes throughout Oliver's practice as an artist and storyteller. His critically acclaimed picture books have been translated into over forty-five languages, and sold over 12 million copies worldwide. His original artwork has been exhibited at such institutions as the Brooklyn Museum in New York, the Irish Museum of Modern Art in Dublin, the National Portrait Gallery in London, and the Palais Auersperg in Vienna.

DREW DAYWALT • drewdaywalt.com

In 2013, Daywalt's debut picture book, *THE DAY THE CRAYONS QUIT* spent a year on the NYT Bestseller List at #1, and remains on the list to this day, over five years later. The sequel book, *THE DAY THE CRAYONS CAME HOME* also spent a year as a NYT Bestseller, and his third book, *THE LEGEND OF ROCK PAPER SCISSORS* is a NYT Bestseller as well. Drew has received 65 awards for his children's writing, including the coveted E.B. White Read Aloud Award and the Time Magazine Top 100 Best Children's Books of All Time.

DOODLE BOY

After going viral for his amazingly creative doodles, 10 year old Joe Whale was commissioned to make a huge mural at a local restaurant in his hometown in England. Now, Joe draws for his 103k Instagram followers using his favorite materials – sharpies and pens.

DR. NINA SHAPIRO

Dr. Shapiro is the Director of Pediatric Otolaryngology and a Professor of Head and Neck Surgery at the David Geffen School of Medicine at UCLA and has received numerous prestigious awards throughout her career. A graduate of Harvard Medical School and Cornell University, she completed her surgical residency at Harvard and finished additional subspecialty training in pediatric otolaryngology at the Great Ormond Street Hospital for Children in London and the Children's Hospital of San Diego. She is the "go-to physician" in Los Angeles and around the world, as many international patients seek her out for treatment of challenging cases that can't be resolved in their own countries.
